From the Editor:

Howdy members! We have a few things to discuss. Let's thank Jimmy Gaona for the awesome work he has done and is doing to rebuild our Angelorc.com website. Jimmy has moved our site to a new webhost—at a major savings, and then he has had to rebuild our page pretty much from scratch. So please be patient as our site develops. We may even have some new features in time as well. Awesome job Jimmy Thank you for your hard work! With the few showers we have had, our field had become a bit shaggy but thanks to Gary Jones and Bubba, the grass is down and things look good for those that want to brave the heat. Keep in mind, we are beginning to plan for our outdoor fly-in this October 8th 9th and 10th—Yes three days since many fly-ins are remote, and travel is often a burden for many, we hope that by extending our meet a full day Friday our guests won't be as rushed. Stay tuned for more information about our meet which will be CD'd by Josh Yarbrow this year. As always I want to thank Gary for the Newsletter content which this month was everything.

Please remember you are always welcome to attend our monthly business meeting this week at Golden Corral Restaurant. Meeting starts at 7:00 come earlier to eat. Till next month, IF you get to fly, - Fly Safely!
