Sea Bee Park Abilene

Gary Jones' Ultrix 600

From the Editor:

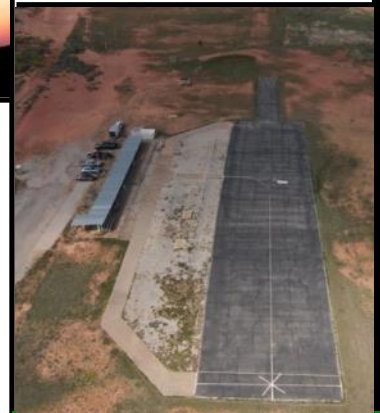

Great news for our club. We have signed our lease with the San Angelo State Park for another five years. Thanks to Jarrett Miller our Park Superintendent, the process went smooth and prompt. Thank you for all of those that worked on this contract to assure it's continuance.

In other news, Gary Jones, and Jimmy Fogleman have been busy keeping our field mowed and looking great. They have also made the usual minor repairs that occur with our mower every year. We owe them our thanks for their hard work. Thank you gentlemen!

Thank you again to our roving pilot, Gary Jones for his photos of our neighbor RC Club, the Abilene RC Society. Great photos Gary. Also with longer days, you may find Gary doing some night flying at the field.

Please remember you are always welcome to attend our monthly business meeting this week at Golden Corral Restaurant. Meeting starts at 7:00 come earlier to eat. Till next month Fly Safely and see you at the meeting.

### Ultrix Video

By Gary Jones

Here's a short flight to see if the model would fly ok with a RunCam 2 4K on the nose. Reduced to 2.7K to save computer space. Nose looks rough because "landed" too many times inverted.
