We are about a week away from our 42nd Annual Outdoor Fly-In. We will have raffle prizes from Horizon Hobby, RTL Fasteners, HobbyTown in Lubbock, AE RC products and Rcbattery.com. We will also be raffling away a Frsky x18s, Tandem TDR6 receiver and the multi module to go along with it. On Saturday, we will be doing a Poker Run. It will be \$10 to enter with half the pot going to the club and other half to whomever has the best hand.

Gary tells me there is still no update as of yet on our FRIA application. I am following this subject and are seeing that many clubs have their application denied but are resubmitting them and getting approved. There are some tips the AMA and others have learned to get an application approved that they weren't aware of when the process started. More about this subject at our monthly meeting. As you are probably aware, the FAA has extended the RID requirement date by 6 Months.

Please remember you are always welcome to attend our monthly business meeting this week at Golden Corral Restaurant. Meeting starts at 7:00 come earlier to eat. Till next month Fly Safely and see you at the meeting.

### Bill Haygood's SR-71

By Gary Jones

I had trouble keeping up with Bill's new SR-71. It is very fast, and quiet, too!
