Happy Holidays!

There will be no business meeting this month due to the Christmas Party that will be held at Golden Corral this Thursday December 7th at 6:30 PM. Come join us and have a great meal. It has become a tradition to have a "white elephant" gift exchange at our December meeting. If you are not familiar with the concept, it is simple. Bring a wrapped, new, r/c related gift with a \$15 or so value. They are all put on a table, and everyone who brings a gift, draws a number. Number one opens the first gift, and then number two can either take that person's gift, or open another. Any one gift can only be "stolen" twice! If you do not want to participate, well just don't bring a gift! The main thing to remember, is to have a sense of humor. We have had some great gifts, and some really funny ones as well. It is always fun as long as everyone is aware of the rules, and keeps an open mind! You might open the best gift in the room, but you probably won't get to keep it when you do!

Till next month may you and your family have a very blessed Christmas!

Passing It On

One of the wonderful aspects of our hobby is that many modelers will get the chance to impart their skills to another modeler. This happened at the Angelo RC 2023 Fly-In this year when Wayne Wagner won an E-Flite Consendo powered plane. Wayne then gifted his win to a new, young prospective modeler.

Way to Go Wayne ! Such a thoughtful thing you did for this young modeler ! Bravo Sir!
