### NEW ARC MEMBER

Please welcome our newest member Ryan Mello. Thank you for your membership Ryan. We look forward to seeing you at our meetings and the field!

From the Editor:

Just over a week to go. Our field looks AWESOME. We need to thank the following folks for their very hard work: Gary Jones & Jimmy Fogleman, Scott Bryan and Jimmy Gaona for the countless hours they have spent getting our field ready.

Thanks again Gary Jones for your amazing photos you have taken this month for our NL and Webpage. Gary's drone photos were very helpful in the spraying operation that took place this last couple of weeks. Gary and Jimmy Fogleman were also very busy getting all of the mowing done too.

Our monthly business meeting will be this Thursday at Golden Corral at 7PM. Come earlier if you want to eat. See you at the meeting and the Fly In.

# ARC Weed Control Notes Photos By Gary Jones

From Gary Jones:

Hey All !

These notices are only to prevent duplication of effort; we need to know what's been done so that we can continue and see a successful outcome.

I sprayed the area marked in light green on the attached image. The line where I stopped near the fence opening is marked with a line of rocks on the runway.

Wind was again a major factor.

BTW, also be aware that Jimmy Fogleman has sprayed the entire perimeter of the runway to make mowing easier. And speaking of mowing, Jimmy Fogleman again mowed about a thousand acres a few days ago. Thanks Jimmy!

We are gonna get this stuff DONE!

Gary
