Happy New Year !

Many thanks to Gary Jones for the wonderful pictures he submitted to our NL. Gary and Jim Mohling again braved the cold temperatures on New Years Eve to be the first to fly into 2025 — Since 1999 Gary has flown into the new year from New Mexico to Texas. For the last two years Gary has partnered with Jim to become the first two ARC members to fly into the new year. Who's going to join them for 2026?

With the new year, please remember your club membership renewal. If you would like to pay your membership on-line, Jimmy has updated our website to allow you to renew through the website. Please remember to renew your AMA membership if it is due too. I personally want to thank all of our members for such a successful and safe year in 2024. Since we have some new members in our club now and as I do every new year, included in this newsletter is a list of our field rules, the AMA rules and State Park Rules. We all need a reminder of these important safety measures so please read and heed. Safety is everyone's responsibility — not just the Field Safety Officer's.

Our monthly business meeting will be at Golden Corral this Thursday at 7PM. Come earlier if you want to eat. Hope to see you there! Happy New Year to all, and may it be a safe one!

GAMA 2025 SWAP MEET

Friday, January 17, 2025

Saturday, January 18, 2025

The Georgetown Aero Modelers Association (GAMA) invites RC enthusiasts and anyone curious about RC model aviation to attend our 27th annual Swap Meet. It is one of the biggest and best attended events of its kind in Central Texas. Come buy, sell, trade or just look around at the hundreds of RC aircraft and thousands of accessories offered by scores of sellers. Whether you're looking for something new or something old, you're sure to find it and at a reasonable price. There will also be plenty of free advice and insights from the many experienced pilots and builders who attend this event annually.
