April 3rd 6 PM

Angelo RC Monthly Business Meeting

Will be at the ARC Flying Field Bring your appetite We will have BBQ Oh Yeah also bring a Plane and we will have some flying too

Aaron Oquin's P-40 on final Photo by Gary Jones

Greetings Members!

In Celebration of DAYLIGHT SAVING TIME We will have our monthly meeting at the ANGELO RC FLYING FIELD. At 6 PM we will have some BBQ. If you bring a plane you should get in some flights before dark and thereafter if you bring your night flyers. So come join us for a good evening of fellowship and flying. Oh yeah there is a chance of rain but this is our chance to say we actually caused it.

Our newsletter is filled with so many wonderful pictures taken by Gary Jones. So as usual, I want to thank Gary for his wonderful photography and contributions to our newsletter this month. Please don't forget to head over to our webpage and checkout the wonderful photography and coverage of the TINY Fly-In as seen through the lens of our Webmaster Jimmy Gaona. AND.... Our Facebook page has a ton of videos that have been made of our flying at the TINY event and the Flying Field—Check this out too. Looking for a link to our FB Page, Click the Facebook Logo in the top right corner of this page.

Till next month, Safe Flying.

ARC Lawn Mower Repair by Gary Jones

The blade pulleys were froze-up from clippings and dried mud.
Gary Jones got the job done!

Thank You Gary !

- And don't Forget Jimmy Fogleman routinely works on our mower too.
