From the Editor

There was no business meeting last month due to the meeting falling on the New Years Day. We will conduct our first business meeting of the year this Thursday on February 5th. We will be discussing the upcoming TINY Fly-In and making some decisions regarding our event. Please join us to get the latest details.

Thank you Gary for your fantastic photos again this month. Despite the cold, activity at the field continues. We have had several new members join this past month. Please remember to keep your AMA and ARC dues current and thank you for your continued membership. As usual, this time of year will be busy with swap meets and indoor fly-ins. This past month our members attended the annual Midland HiSky Wing Indoor event and the Georgetown Swap Meet. Both events had great attendance.

Our monthly business meeting will be this Thursday at Golden Corral at 7PM. Come earlier if you want to eat. We hope to see you at the meeting!
