### Upcoming Events:

**Angelo RC Club Meeting**  
Thursday April 2nd  
Golden Corral 7 PM

**20th ANNUAL TINY FLY-IN**  
May 29th—31st  
Dorothy Garrett Coliseum  
Big Spring TX

From the Editor:

At our last month's meeting, we finalized our plans for our indoor meet in Big Spring next month. The club has recently acquired several donated models that may be used as raffle prizes for our upcoming event.

This past month, I attended the Tri-City Flyers annual swap meet in Gardenridge. The turnout was good and weather perfect. It's always good to see our fellow modelers and discuss our hobby. Flying here in San Angelo is becoming more active with the coming of spring. As usual our brisk March winds are making our flights challenging with night flying also being quite popular with our members. If you haven't watched our night shift in action, drop by some weekday evening and see the action. You might want to join the fun. Thank you Gary for this past months coverage of the flying and happenings at ARC Field this month. As the weather warms please be mindful of your surroundings and the reptiles that may be around you. Almost every year our members have an interaction with a snake. So watch your step when retrieving your planes.

Our monthly business meeting will be this Thursday at Golden Corral at 7PM. Come earlier if you want to eat. We hope to see you at the meeting!

Those white and black birds at the field were American White Pelicans migrating north on 9-foot + wings!

**Attention ARC Members**

Here is a picture of a rattler crossing a road at the State Park the other day. Just a reminder they are out and have often visited our Flying Field So ***Please Watch Your Step!***
