From the Editor:

It was a great weekend for indoor flying and outdoor camping at the Dorothy Garrett Coliseum in Big Spring. Our 20th annual TINY fly-in was a big success. We had 49 pilots registered. Pilots came from the DFW area and Midland Odessa, Wichita Falls, Lubbock, Plainview, Abilene and Amarillo. The parking lot had nearly a dozen RV's and campers. The Howard College staff was very welcoming. The flying area was quite adequate—not quite as high as San Angelo but still very roomy. Overall most pilots agreed this was a very good place to fly. The raffle went well and the 50/50 split the pot was great too. As always we owe a huge thank you to Annette Sellers for soliciting the contributions. This meet was a challenging meet to get planned and executed. We want to thank Mark Greer for his hard work getting this off the ground and contest directing the event. Thanks also goes out to Scott Bryan for assisting in the event organization as well.

This month we also thank Jimmy Fogelman for his hard and continuous work keeping our field mowed and treated for weeds and mosquitos and fixing our water faucet. Thank you Jimmy! Thank you Gary for the wonderful photos you have provided for this newsletter.

Our monthly business meeting will be this Thursday at Golden Corral at 7PM. Come earlier if you want to eat. We hope to see you at the meeting!

Working hard to keep our field looking so good is this guy

Jimmy is trying out some mosquito traps. He has set these out around the area. Let him know if these are working

Thank You Jimmy Fogleman for the many hours you donate to keep our field mowed and sprayed.
We definitely appreciate your dedication and hard work.
