From the Editor:

Thank you Annette Sellers for your nice coverage of our 2025 WTF Fly-In Our meet had a lower pilot turnout than usual but the weather was just perfect. Our pot-luck dinner was awesome as always thank you to Annette for helping us coordinate this as well. And that you to everyone else that brought the food too.

Our Fly-In was also successful financially with a very nice raffle, we stayed in the black. Most of our raffle prizes were club donations and we did raffle a new RadioMaster transmitter to a prospective beginner. As always we thank our attendees many who drove many miles to fly and camp with us. Thanks also to our members that also got up early made the coffee, mowed the grass and helped to ready our field for the event. We have some awesome members! Thanks again to our club photographer, Gary Jones for the wonderful photos he provided. Gary has a new Insta360 camera and the photos it is creating are incredible. Thanks Gary for sharing this new technology and your skills.

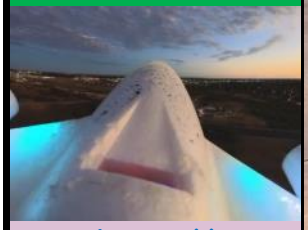

Our monthly business meeting will be this Thursday at Golden Corral at 7PM. Come earlier if you want to eat. We hope to see you at the meeting!

On Monday October 5th Gary Jones, Scott Bryan and Charlie Campbell gave a presentation to the Concho Valley Technology Alliance at Howard College. Scott did a wonderful presentation about the club, model aircraft, and rules concerning drones and their licensing. Gary was able to get in some flying in the very small space of the meeting room. Other ARC members attended. The presentation was an education to those wanting to learn more about drones and model aviation, and what goes into our hobby.

GAMA 2027 SWAP MEET

Friday, January 15, 2027
Saturday, January 16, 2027

The Georgetown Aero Modelers Association (GAMA) invites RC enthusiasts and anyone curious about RC model aviation to attend our 29th annual Swap Meet. It is one of the biggest and best attended events of its kind in Central Texas. Come buy, sell, trade or just look around at the hundreds of RC aircraft and thousands of accessories offered by scores of sellers. Whether you're looking for something new or something old, you're sure to find it and at a reasonable price. There will also be plenty of free advice and insights from the many experienced pilots and builders who attend this event annually.
